

# WHO OWNS 'BEST BUSINESS'

When a guest Googles “best business hotels in [city],” they have locked the TYPE but not the dates or price. Here is who Google hands them across America's 50 biggest cities.

**48/50**

[tripadvisor.com](https://www.tripadvisor.com) shows up in the top 10 for “best business hotels” in **48 of 50** cities.

## CROSS-CITY INFLUENCE - TOP-10 REACH (OF 50 CITIES)

**Blue = a hotel or specialist. Everything red is an intermediary.**

Whoever owns the most cities owns the shortlist for this intent, before your guest ever sees a rate.

**Source:** DataForSEO live Google SERP (US), 50 cities, July 2026. Directional; not business, legal, or financial advice. Full study →
